

25 TON CHILLER

Portable Air is proud to offer trailer-mounted, air-cooled chiller packages to meet any temporary climate control project needs. Our entire fleet is comprised of only the most reliable, well performing units from top manufacturers such as Trane, Carrier and York.

All units can be rented as individual units or as a complete “turn-key” package including complete delivery, installation, startup and required accessories. Contact one of our rental representatives today to learn more about Portable Air and the largest HVAC rental fleet of its kind.
